2018 Events Calendar

The following BSD-related conferences will take place during the last quarter of 2018.

MeetBSD • Oct 19 & 20 • Santa Clara, CA

https://www.meetbsd.com/ • MeetBSD California is a biennial BSD Unix conference that takes place in Silicon Valley. This event is a mixed unConference format event featuring both scheduled talks and community-driven events such as birds-of-a-feather meetings and speed geeking sessions.

All Things Open • Oct 21–23 • Raleigh, NC

http://allthingsopen.org/ • All Things Open is the largest open source/open tech/open web conference on the East Coast, and one of the largest in the United States. It regularly hosts some of the most well-known experts in the world as well as nearly every major technology company. More than 3,200 from 34 states and 19 countries participated in 2017. This year between 3,500 and 4,000+ are expected. The Foundation is pleased to be a media partner.

LISA • Oct 29–31 • Nashville, TN

https://www.usenix.org/conference/lisa18 • LISA is the premier conference for operations professionals, where sysadmins, systems engineers, IT operations professionals, SRE practitioners, developers, IT managers, and academic researchers share real-world knowledge about designing, building, securing, and maintaining the critical systems of our interconnected world. There will be a FreeBSD booth in the Expo area.

Thank you!
