

Events Calendar

BSD Events taking place through March 2020

BY ANNE DICKISON AND DRU LAVIGNE

linux.conf.au 2020 • January 13–17, 2020 • Gold Coast, Australia

<https://linux.conf.au/programme/miniconfs/freebsd/>

The FreeBSD Foundation, in conjunction with simPRO Software, is excited to host a FreeBSD Miniconf on January 14, 2020, at linux.conf.au.

FreeBSD Mini Developers Summit • January 31 • Brussels, Belgium

<https://wiki.freebsd.org/DevSummit/202002>

Join fellow FreeBSD developers for a one-day event co-located with FOSDEM 2020. The summit will consist of discussion sessions and is by-invitation-only.

FOSDEM 2020 • February 1 & 2 • Brussels, Belgium <https://fosdem.org/2020/>

FOSDEM 2020 offers open-source and free software developers a place to meet, share ideas, and collaborate. Renowned for being highly developer-oriented, the event brings together some 8,000+ geeks from all over the world.

APRICOT 2020 • February 12–21 • Melbourne, Australia

<https://2020.apricot.net/> Representing Asia Pacific's largest international Internet conference, Asia Pacific Regional Internet Conference on Operational Technologies (APRICOT) draws many of the world's best Internet engineers, operators, researchers, service providers, users, and policy communities from over 50 countries to teach, present, and do their own human networking.

SCaLE 18x • March 5–8 • Pasadena, CA www.socallinuxexpo.org/scale/18x **SCaLE 18x**

The 18th annual Southern California Linux Expo will take place at the Pasadena Convention Center. SCaLE 18x expects to host 150 exhibitors, along with nearly 130 sessions, tutorials, and special events. The Foundation will again be hosting a one-day FreeBSD workshop.

AsiaBSDCon • March 19–22 • Tokyo, Japan <https://2020.asiabsdcon.org/>

AsiaBSDCon is a technical conference for users and developers on BSD-based systems. It is for anyone developing, deploying, and using systems based on FreeBSD, NetBSD, OpenBSD, DragonFly BSD, Darwin, and MacOS X. AsiaBSDCon aims to collect the best technical papers and presentations available to ensure that the latest developments in our open-source community are shared with the widest possible audience.

FOSSASIA Summit 2020 • March 19–22 • Singapore, Singapore

<https://summit.fossasia.org/> The FOSSASIA Summit, Asia's leading open-technology conference for developers, startups, and IT professionals, will take place at the Lifelong Learning Institute Singapore.
