# 2021 Events Calendar
## BSD Events taking place through March 2021
### BY ANNE DICKISON

Please send details of any FreeBSD related events or events that are of interest for FreeBSD users which are not listed here to freebsd-doc@FreeBSD.org.

Users with organizational software that uses the iCalendar format can subscribe to the FreeBSD events calendar which contains all of the events listed here.

### APRICOT 2021
March 1-4, 2021
VIRTUAL

Representing Asia Pacific's largest international Internet conference, Asia Pacific Regional Internet Conference on Operational Technologies (APRICOT) draws many of the world's best Internet engineers, operators, researchers, service providers, users and policy communities from over 50 countries to teach, present, and do their own human networking. The ten-day summit consists of seminars, workshops, tutorials, conference sessions, birds-of-a-feather (BOFs), and other forums with the goal of spreading and sharing the knowledge required to operate the Internet within the Asia Pacific region. This year, the conference will happen virtually.

### FOSSASIA
March 13-21, 2021
VIRTUAL

Join the FreeBSD Foundation at the FOSSASIA Virtual Summit 2021. Taking place March 13-21, 2021, FOSSASIA provides the opportunity to learn about open technologies and to connect with lead developers and technologists from Free and Open Source software (FOSS) and Open Hardware projects from around the world. Registration is free of charge.
