Please send details of any FreeBSD related events or events that are of interest for FreeBSD users which are not listed here to freebsd-doc@FreeBSD.org.

May 2023 FreeBSD Developer Summit
May 17-18, 2023
Ottawa, Canada
https://wiki.freebsd.org/DevSummit/202305

Join us for the May 2023 FreeBSD Developer Summit, co-located with BSDCan 2023, which will take place in Ottawa, Canada. The two-day event takes place May 17-18, 2023 and will consist of developer discussion sessions, vendor talks and working groups. The fee to attend is $75 and you must register through the BSDCan 2023 Registration System.

BSDCan 2023
May 17-20, 2023
Ottawa, Canada
https://www.bsdcan.org/2023/

BSDCan is a technical conference for people working on and with BSD operating systems and related projects. It is a developers conference with a strong focus on emerging technologies, research projects, and works in progress. It also features Userland infrastructure projects and invites contributions from both free software developers and those from commercial vendors.

FOSSY 2023
July 13-16, 2023
Portland, OR
https://2023.fossy.us/

A new event, the hope is that FOSSY will become a community focused conference that brings together the local open source community as well as the wider global community focused on Free and Open Software. The FreeBSD Foundation is pleased to be holding an Introduction to FreeBSD workshop.
